Americana Jar Cozies

Whether you fill your jars with fresh daisies, your special preserves or party utensils, these cozies add patriotic spirit to the setting. Knit them in stripes or add felt stars to a field of solid blue.

Cozies fit regular Pint (16-ounce) glass Mason Jars.

NOTES

Cozies are worked in the Round on Double-Pointed Needles from the bottom up.

The Cozies are to fit Mason Jars snugly so the jars do not slip out.

The Bind Off edge will be tighter than the Cast On edge. Slide the Cozie on the Mason Jar like a sweater, placing Bind Off edge at the neck (top) of the Jar, and Cast On edge along base (bottom) of the Jar.

Jogless Stripes in the Round:

When joining a new color, prevent a jog at the joining point by lifting the right side of the stitch below onto the left needle and knit it together with the stitch.

To prevent holes in your work when changing colors, bring the new color up and over the old color, twisting yarns to join sections together.

Attach Stars to Cozie
Place Blue Cozie on Mason Jar before attaching stars. Using the Star template and White Felt square, neatly cut out 10 stars approximately 1" [25 mm] or 1½" [38 mm] in size and arrange randomly on Cozie. See photograph for placement. Using Tacky Craft Glue, affix stars to surface of fabric. If you prefer, use purchased stars instead of Felt stars and affix in same manner.
